## MSC VOYAGERS CLUB LOYALTY PROGRAMME GENERAL CONDITIONS (AS OF 19/07/2015)

The present terms and conditions regulate the constitution and conditions of use of the MSC Voyagers Club Programme. The MSC Voyagers Club is the loyalty programme of MSC Cruises SA dedicated to all travellers who have sailed at least once on board an MSC cruise since 2006 or have a confirmed booking with MSC Cruises.

### CONDITIONS OF USE

These terms and conditions apply to all MSC Voyagers Club members. MSC Voyagers Club substitutes the previous MSC CLUB as MSC Cruises Loyalty programme. Please refer to section 5 for further information. MSC Voyagers Club will be effective starting from 19/07/2015. MSC Cruises SA reserves the right to amend the following conditions without notice. Members are responsible for keeping constantly up to date with MSC Voyagers Club Regulations.

### 1. MEMBERSHIP TO THE MSC VOYAGERS CLUB

1.1 Membership applies to all passengers of MSC Cruises SA who have travelled on at least one cruise with MSC since 2006 and to all guests who have a confirmed booking with MSC Cruises.

1.2 Passengers are eligible for membership from 0 years of age. Enrolment to the MSC Voyagers Club for members under 18 years old must be carried out by a parent/legal guardian on behalf of members aged under 18.

During the enrolment process, passengers must enter their full name as it appears on their passport.

1.3 Membership is not automatically issued and passengers can subscribe using one of the following methods:

- **Before embarkation** by completing the Become a Member Form at the address indicated in the section of the website dedicated to the MSC Voyagers Club or directly clicking the link on the booking confirmation document or the link on the e-ticket issued once booking is confirmed. It is also possible to register during the online Check-In process. Members will receive their Club Identification Number via email with an electronic card after subscription. Passengers who join before the cruise will be rewarded with 100 bonus points. Bonus points will be assigned approximately 10 days after the end of the cruise.

- **On board** by applying for membership on board by contacting Reception-Guest Service and/or MSC Voyagers Club Infopoint:

- **Passengers who have sailed at least once** on an MSC cruise and subscribe on board will receive confirmation that their subscription has been successful via email at the end of the cruise (approximately 10 days after the cruise is completed) with their Club Identification Number and an electronic version of the MSC Voyagers Club card. Regulations regarding recovery of points for previous cruises are set out in clause 3.1 of the present terms and conditions.

- **Passengers who cruise for the first time with MSC** and subscribe on board will receive confirmation that their subscription has been successful via email at the end of the cruise (approximately 10 days after the cruise is completed). They will receive their Club Identification Number and an electronic version of the MSC Voyagers Club Card.

- **Post-cruise** through the website [www.mscevoyagersclub.com.au](http://www.mscevoyagersclub.com.au) by accessing the "Become a member" section. Once subscription is successfully processed, they will receive an email with their Club Identification Number and an electronic version of the MSC Voyagers Club Card.

### 1.4 MSC Voyagers Club Card and Club Identification Number

Each subscription to MSC Voyagers Club generates a Club Identification Number that will be communicated in the email confirming the subscription.

On the first cruise after subscription, the Club Identification Number will be printed on the Cruise Card delivered.

The Cruise Card is a plastic card containing all necessary guest information. It works as a payment method on board and it is also the key to access the cabin. The Cruise Card with the Club Identification Number constitutes the MSC Voyagers Club Card and it will be printed and delivered on the first day of every cruise.

The MSC Voyagers Club Card is the only tool to identify MSC Voyagers Club members on board. When a cruise is booked, the Club Identification Number must be provided together with all the other booking information, even if the Club discount is not available. This is the only way for passengers to be eligible for the benefits that the MSC Voyagers Club offers to its members.

MSC Cruises SA reserves the right to refuse or cancel membership at any time without giving reason and notice.

Membership of the MSC Voyagers Club is subject to the MSC Voyagers Club General Conditions. Should members not accept the MSC Voyagers Club General Conditions, they must cancel membership immediately by contacting MSC Cruises SA in writing at MSC Cruises SA, Chemin Rieu, 12-14, CH-1208 Geneva (Switzerland).

### 1.5 Length of Membership

MSC Voyagers Club Membership is subject to a minimum of one cruise every three years. If the last cruise disembarkation date is over 3 years (36 months) or no cruise has been completed in 3 years after the enrolment date, membership to the MSC Voyagers Club programme will automatically expire.

For example:

- if the last disembarkation date is 30.01.2015 and no cruises are completed by 30.01.2018, the membership will expire.
- If the registration date is 30.01.2015 and no cruises are completed by 30.01.2018, the membership will expire.

Should the membership expire, passengers must subscribe to the MSC Voyagers Club again. Subscription will be subject to the conditions stated. A new Club Identification Number will be assigned.

### 2. EARNING POINTS

All MSC Voyagers Club members earn points according to the 3 following criteria:

- a. "Experiences" purchased (Bella, Fantastica, Wellness, Aurea and MSC Yacht Club);
- b. On board Services pre-paid before the cruise;
- c. On board Expenses.

a. "EXPERIENCES PURCHASED" MSC Cruises SA offers the possibility of purchasing different types of "experiences": Bella, Fantastica, Wellness, Aurea or the MSC Yacht Club. Members can earn points in relation to the "experience" purchased.

#### Bella Experience:

- for cruises consisting of less than 5 nights or 6 days: 200 points are awarded;
- for cruises consisting of 5 to 9 nights or 6 to 10 days: 500 points are awarded;
- for cruises consisting of over 9 nights or 10 days: 700 points are awarded.

#### Fantastica Experience:

- for cruises consisting of less than 5 nights or 6 days: 400 points are awarded;
- for cruises consisting of 5 to 9 nights or 6 to 10 days: 700 points are awarded;
- for cruises consisting of over 9 nights or 10 days: 1,000 points are awarded.

#### Wellness/Aurea Experience:

- for cruises consisting of less than 5 nights or 6 days: 600 points are awarded;
- for cruises consisting of 5 to 9 nights or 6 to 10 days: 1,000 points are awarded;
- for cruises consisting of over 9 nights or 10 days: 1,500 points are awarded.

#### MSC Yacht Club:

- for cruises consisting of less than 5 nights or 6 days: 800 points are awarded;
- for cruises consisting of 5 to 9 nights or 6 to 10 days: 1,500 points are awarded;
- for cruises consisting of over 9 nights or 10 days: 2,000 points are awarded.

Points will only be earned on "experiences" purchased (Bella, Fantastica, Wellness, Aurea) or the MSC Yacht Club. If a free "experience" upgrade is offered, points will only be awarded for the "experience" purchased. No extra points will be issued for free "experience" upgrades.

On cruises and departures where Bella, Fantastica, Wellness, Aurea or MSC Yacht Club "experiences" do not apply, the following rules will be enforced.

#### Cabin Type:

**Inside Cabin:** 600 points

**Ocean View Cabin:** 750 points

**Balcony Cabin:** 900 points

**Suite:** 1,200 points

**MSC Yacht Club Suite:** 1,500 points

Points given for "experiences" purchased will be applied to each member occupying the same cabin, if there is more than one. Here is an example for a cruise of 7 nights with the Fantastica "experience" purchased: if only one member is present in the cabin, at the end of the cruise 700 points will be awarded. If two members are present in

the cabin, at the end of the cruise 700 points each will be awarded. MSC Voyagers Club members who purchase the entire MSC World Cruise will earn triple the points based on the type of Experience or the MSC Yacht Club chosen. Points will be exceptionally assigned at the time of booking. For example, if you purchase the Bella Experience, you will earn 2,100 points instead of 700; if you purchase the Fantastica Experience, you will earn 3,000 points instead of 1,000; if you purchase the Wellness or Aurea Experience, you will earn 4,500 points instead of 1,500.

#### B. ON BOARD SERVICES PRE-PAID BEFORE THE CRUISE:

MSC Cruises SA offers the possibility of purchasing on board services before the cruise. Services that can be purchased before the cruise include Food & Beverages, Excursions, SPA & Fitness (for a full list of services included please see the dedicated section online) and are divided into services that apply to all cabin occupants and services that apply to individuals only.

MSC Voyagers Club members earn 100 points for every €150 spent before the cruise on MSC packages/services included in the cruise booked\*.

\*For currencies other than € euro, the currency conversion on purchase day will apply. There are two types of on-board services pre-paid before the cruise: per cabin and per single cabin occupant.

The points will be calculated based on the total amount spent by the member on MSC on board services pre-paid before the cruise. Expenses for on board services pre-paid before the cruise per cabin which apply to all cabin occupants (and not single occupants) will be equally distributed amongst the cabin occupants.

Example of on board services pre-paid before the cruise per cabin: the total amount of pre-paid on board services that apply to all cabin occupants before the cruise is €600. If there are four cabin occupants, the spending for the points calculation of each cabin occupant will be €150, equal to 100 points. Members cannot claim points distributed to non-members occupying the same cabin for on board services pre-paid before the cruise which apply to all cabin occupants.

Points for **On board Services pre-paid before the cruise** by single cabin occupants will be assigned to individual members who pre-paid for on board services before the cruise.

Example of on board services pre-paid before the cruise per single occupant: the total amount of pre-paid on board services that apply to single occupants before the cruise is €600. In order to assign the points, the total amount will be divided by 150 resulting in 400 points. The single occupant who benefits from the pre-paid on board services that apply to individuals only will receive all 400 points.

**c. ON BOARD EXPENSES** MSC Voyagers Club members earn 100 points for every €/\$150 spent on board (excluding casino expenses).

At the end of the cruise, points given for on board expenses will be applied on board only to the MSC Voyagers Club member making the final payment.

All the Points earned during the cruise will be assigned approximately 10 days after the end of the cruise.

MSC Voyagers Club members can check their points score on the website by logging into the "Manage My Booking" section or Club Area. MSC Voyagers Club members who update or confirm their contact details before the cruise on the website in the MSC Voyagers Club Area will be rewarded with 100 bonus points. Bonus points will be assigned approximately 10 days after the end of the cruise.

The points calculation described in this section "2 Earning Points" applies to MSC cruises ending after 19/07/2015. All points earned with MSC CLUB and cruises completed before 19/07/2015 will be revalued with the points multiplier (x100) (i.e. 7 points earned with the MSC CLUB will be revalued as 700 with the MSC Voyagers Club).

If no cruises are taken for 3 years from the MSC Voyagers Club launch date, any points earned are lost. In order to start collecting points again, it will be necessary to subscribe to the MSC Voyagers Club once more.

For example: If a Black MSC Voyagers Club member with a points score of 12,000 does not sail for 3 years since their last disembarkation date, the 12,000 points will be lost.

#### 3. WELCOME, CLASSIC, SILVER, GOLD AND BLACK LEVELS OF MEMBERSHIP

MSC Voyagers Club consists of five levels of membership (Welcome, Classic, Silver, Gold and Black) according to the total points accumulated; each level has a personalised card. The MSC Voyagers Club Card will have the same name as the membership level.

- **Black membership:** 10,000+ points
- **Gold membership:** from 4,300 to 9,999 points
- **Silver membership:** from 2,200 to 4,299 points
- **Classic membership:** from 1 to 2,199 points
- **Welcome membership:** 0 points; electronic card awarded to all passengers subscribing to MSC Voyagers Club before cruising, with a confirmed booking.

If no cruises are completed for 3 years, the level of membership reached is lost as

described in section 1, 1.5 Length of Membership.

For example: If a Gold MSC Voyagers Club member does not sail for 3 years since the last disembarkation date, Gold membership will be lost.

Once a new point score is reached enabling qualification for a new level of membership, the member receives an MSC Voyagers Club Card with the same Club Identification Number on the next cruise taken after their membership upgrade. Members will be informed of their new level of membership via email after the cruise.

Membership upgrades achieved through cruises taken on different ships within a short space of time (less than 10 days) will not be updated in real time.

##### 3.1 Recovery of previous cruises

Passengers successfully completing their subscription to MSC Voyagers Club after 3 months after their disembarkation date will receive a fixed amount of 500 points.

No points for previous cruises will be recognised if the disembarkation date of the last cruise is over 3 months ago.

The same criteria for recovery of previous cruises applies to passengers whose MSC Voyagers Club membership has previously expired (in the event of no cruises in 3 years since their last disembarkation date).

Passengers successfully completing their subscription to MSC Voyagers Club less than 3 months after their disembarkation date will recover all points of their most recent cruise if the disembarkation date is less than 3 months from subscription.

3.2 Points are non-transferable and cannot be given to third parties.

3.3 Points have no monetary value and cannot be redeemed for cash, but only contribute to obtaining benefits belonging to the MSC Voyagers Club programme.

3.4 Points are always awarded after the cruise and not during the cruise.

3.5 Points may not be issued on all cruise departures. Members should enquire before completing their purchase as information will be available when MSC Voyagers Club points will not be issued for certain departures.

3.6 Any point issued in error may be revoked or modified at any time at the sole discretion of MSC Cruises SA and without any notification.
