CRUISE EXCURSION HIGHLIGHTS:

ROME, ITALY

Sightseeing coach tour of the Cestia Pyramid, Caracalla Baths, Circus Maximus, the Colosseum, famous Bocca della Verità fountain as well as Via Veneto, Villa Borghese, and the romantic Lungotevere, before free time to explore the Vatican.

VALLETTA, MALTA

The UNESCO-protected port of Valletta, the capital of the island of Malta, is one of the must-see stops for every Mediterranean cruise of merit. You can admire this port, constructed in the second half of the 16th century by the Frenchman Jean de la Valette and moulded by the religious and military Order of Saint John of Jerusalem, from your MSC ship even before disembarking. The over 300 monuments rising in little more than half a square kilometre make this a place with one of the greatest density of historical attractions to visit during a cruise, not mentioning other attractions such as its beaches, seaside locales and restaurants.

SUEZ CANAL TRANSIT

Marvel at the engineering feat connecting the Mediterranean Sea with the Red Sea.

AQABA, PETRA

A city carved into the cliff more than 2,000 years ago. Walk through the narrow canyon, emerging to reveal Petra in all its rose-hued glory. Well-preserved colonnaded structures await including the Treasury, large amphitheatre and royal tombs.
